

BROMLEY AREA CRICKET

BAC – Meeting All Your Cricketing Needs

September and October are always very busy months in the BAC office - we are reflecting on the season just gone, and busy planning for the season ahead.

The Area assessments are up and running for the 2019 Bulldogs Squads, although there is still time to book in for a one off assessment if you missed the previous deadlines.

A number of Bulldogs players have been nominated for the County Age Group assessments and we wish them all the best of luck.

The Bromley Bulldogs awards evening where we celebrate the successes of the Area teams has been confirmed for Friday 23rd November at Hayes CC. Full details will be emailed out to all players in due course.
